M&T Names Manager In Carteret

CPYRGHT

Paul Leck has been appointed personnel manager at Metal & Thermit Corporation's Carteret plant. The announcement was made by John J. Saracino, director of employee relations and administration for the company.

Before joining M&T, Leck was personnel manager for Mack Truck Co. at Hagerstown, Md. and Plainfield. From 1951 to 1956 he was an administrative assistant at the Central Intelligence Agency in Washington, D. C.

Leck attended Wilkes College and studied business administration at Rutgers University. He resides with his wife, Mary Susan, and son Gregory in South Plainfield.
